

Dual Degree – Blank Template

Get the degree program information from the Arts and Science Calendar at:
<http://www.queensu.ca/calendars/artsci/pg628.html>

TIP: Select the 'print friendly version' at the top of the calendar page, then copy and paste the degree requirements below.

Paste the degree requirements here:

Use the chart below to keep track of your Arts & Science concentration credits and electives.

BSCE	Required Concentration Credits	BA – 5.0 Required
10 credits from the BSCE are shared with the BA. By virtue of having completed the BSCE, the student is granted 10 'free' credits towards their BA.	Total Conc Credits = 5.0	Total Credits in BA = 5.0

Important Note:

- Courses taken in the BSCE can be used towards concentration credits to complete the BA, but courses taken in the BA can NOT be used as credit towards completion of the BSCE.
